

We need your ideas!

Create a
new resource
for
Celebrants Aotearoa
and win up to \$150
for your branch

your idea must be
innovative - practical - generic

Three designs will be selected by your National Executive and submitted for development by the Celebrants Aotearoa support team.

A great opportunity to get your branch members involved.

**Winning concepts to be announced at the
Celebrants Aotearoa 2022 Virtual Conference**

How the competition works

As your National Executive, we are very aware of the challenges of the last two years and all that COVID-19 has brought.

Our goal for 2022 is to reach out; to connect with branches.

To that end, we are offering a competition in which branches may put forward a proposal for a resource which will be of benefit to members.

What we are looking for

- Develop a resource to be used by all members that is innovative, practical and generic.
- It may be a resource that promotes Celebrants Aotearoa members and could include a place for them to write their details.
- We suggest this is completed by a small working group of 3–5 people. Branch committee should offer all members the opportunity to contribute.

What is required

- Fully developed word content.
- A visual concept to be presented or well described as to what is needed.
- The creative design will be developed and branded by the Celebrants Aotearoa designer.

How to submit your entry

- Entries close 20 July 2022
- Your resource development proposal must be emailed in Word or PowerPoint format, as an attachment to support@celebrantsaotearoa.co.nz
- Entry limit is 3 entries per branch.

What happens next

- The National Executive will review all entries and select three designs to be completed in 2022.
- Those branches will be awarded a monetary prize for the design sub-committee or for a branch event (the branch can determine this)
- If accepted, the original content may be edited by the National Executive and will then be developed by our Celebrants Aotearoa support team.
- Chosen concepts will be presented at Celebrants Aotearoa 2022 Virtual Conference.

Inspiration

Is there something you think is missing from our resources?

What would you find helpful in your practice as a marriage or funeral celebrant?

Have you ever thought, I wish I had this business card, greeting card, form, template?

An example might be a Celebrants Aotearoa bookmark for funeral celebrants with a verse of comfort on it.

PRIZES

\$150 for first place entry, \$100 for second and third place entries

Have *fun* and *enjoy* the creative process with other branch members
